SUBJECT: Funding Opportunity Announcement Number DE-FOA-0001371, Solar Decathlon Program Administrator, Application Titled: Decentralized Solar Decathlon

Dear Mr. Wassmer:

On behalf of the Office of Energy Efficiency and Renewable Energy (EERE), I would like to thank you for submitting an application in response to the subject Funding Opportunity Announcement (FOA). All applications were subjected to a rigorous, multi-layer review process in accordance with the evaluation process described in the FOA. Unfortunately, your application was not selected for award negotiations. EERE determined that your application, based on its particular strengths and weaknesses, would be less likely to achieve the programmatic objectives of this FOA.

On behalf of EERE, I would like to express our sincere appreciation for the significant time and effort you and your team invested in preparing this application. We hope that you will continue to submit innovative ideas and proposals in response to future funding opportunities.

Sincerely,

A handwritten signature in blue ink that reads "Andrew Rittgers".
